Centers for Disease Control and Prevention  
U.S. ENVIRONMENTAL PROTECTION AGENCY

October 4, 2010

Dear Colleagues:

We are pleased to provide you with a series of documents relating to the October 2010 Meeting of the National Children's Study Federal Advisory Committee (NCSAC). As you know, our meeting will take place on October 14, 2010 in Building 31 at the National Institutes of Health in Bethesda, MD. Invited participants include members of the NCSAC, the Interagency Coordinating Committee (ICC), and the Program Office (PO).

The October NCSAC meeting will include discussions pertaining to the qualification and validation of environmental assessments and NCS data capture and acquisition. We will also receive comments from the Acting Director of the National Children's Study, Dr. Steven Hirschfeld; the Director of the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development, Dr. Alan Guttmacher; and the Director of the National Institute of Environmental Health Sciences, Dr. Linda Birnbaum.

A limited number of copies of the American Academy of Pediatrics (AAP) Pediatric Environmental Health, Second Edition (2003) will be made available to Committee Members upon request.

Beginning with this meeting, Ms. Kate Winseck will return to her former role as Designated Federal Official of the NCSAC. If you have any questions about the upcoming meeting or the information included in this letter, please feel free to contact me. We look forward to seeing you at the October NCSAC meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Hirschfeld".

Steven Hirschfeld, MD PhD  
Captain, U.S. Public Health Service  
Associate Director for Clinical Research  
Acting Director, National Children's Study
