

## Table 2. Reactions to Race module

Earlier you told me your race. Now I will ask you some questions about reactions to your race.

1. How do *other people* usually classify you in this country? Would you say White, Black or African American, Hispanic or Latino, Asian, Native Hawaiian or Other Pacific Islander, American Indian or Alaska Native, or some other group?

White  
Black or African American  
Hispanic or Latino  
Asian  
Native Hawaiian or Other Pacific Islander  
American Indian or Alaska Native  
  
Some other group (please specify)  
Don't know/Not sure  
Refused

2. How often do you think about your race? Would you say never, once a year, once a month, once a week, once a day, once an hour, or constantly?

Never  
Once a year  
Once a month  
Once a week  
Once a day  
Once an hour  
Constantly  
  
Don't know/Not sure  
Refused

[Instruction to interviewer:

The responses can be interpreted as meaning “at least” the indicated time frequency. If a respondent cannot decide between two categories, check the response for the lower frequency. For example, if a respondent says that they think about their race between once a week and once a month, check “once a month” as the response.]

[CATI skip pattern: This question should only be asked of those who are “employed for wages”, “self-employed”, or “out of work for less than one year”.]

3. **Within the past 12 months at work, do you feel you were treated worse than, the same as, or better than people of other races?**

Worse than other races  
The same as other races  
Better than other races

Worse than some races, better than others  
Only encountered people of the same race

Don't know/Not sure  
Refused

4. **Within the past 12 months when seeking health care, do you feel your experiences were worse than, the same as, or better than for people of other races?**

Worse than other races  
The same as other races  
Better than other races

Worse than some races, better than others  
Only encountered people of the same race  
No health care in past 12 months

Don't know/Not sure  
Refused

[Instruction to interviewer:

If the respondent indicates that they do not know about other people's experiences when seeking health care, say: "This question is asking about your perceptions when seeking health care. It does not require specific knowledge about other people's experiences."]

5. **Within the past 30 days, have you felt emotionally upset, for example angry, sad, or frustrated, as a result of how you were treated based on your race?**
