July 11, 2011

Dear Colleagues:

We are pleased to provide you with a series of documents relating to the July 2011 meeting of the National Children's Study Federal Advisory Committee (NCSAC). As you know, our meeting will be held July 20, 2011 at the Natcher Conference Center on the National Institutes of Health campus in Bethesda, MD. Invited participants include members of the NCSAC, the Interagency Coordinating Committee (ICC), and the Program Office (PO).

The July NCSAC meeting will include discussions on the provider based sampling strategy and a high-level concept and design discussion on the Main Study protocol. Additionally, there will be a report on data presentation from the working group.

If you have any questions about the upcoming meeting or the information included in this letter, please feel free to contact me or Ms. Kate Winseck, Executive Secretary of the NCSAC. We look forward to seeing you at the July NCSAC meeting.

Sincerely,

Steven Hirschfeld, MD PhD
Captain, U.S. Public Health Service
Associate Director for Clinical Research
Acting Director, National Children's Study
